HOSPITAL SISTERS HEALTH SYSTEM NAMES CIO FOR DIVISION SERVICE CENTER IN SOUTHERN ILLINOIS

Belleville - Hospital Sisters Health System (HSMS) of Springfield, Illinois, recently announced the appointment of Illa David as Chief Information Officer for the Division Service Center in Southern Illinois.

“We are excited to have Illa David in the roll of CIO for the Division”, stated Mark Reifsteck, Divisional President and CEO. “Illa brings an extensive background in leading technology implementation and network management to our HSMS facilities in southern Illinois.”

David has twenty years of experience in information technology. A graduate of Southern Illinois University-Edwardsville with a Bachelors Degree in Business Administration/MIS, David has served as Administrative Director of Information Technologies and Telecommunications at St. Elizabeth's Hospital since 2006. Prior to joining St. Elizabeth's Hospital, David was IT Director at Touchette Regional Hospital, Kenneth Hall Regional Hospital both in East St. Louis, IL and Anderson Hospital in Maryville, IL. In addition, David served as Home Healthcare Administrator for House

Calls Home Health and as Systems Engineer for NYNEX Business Centers.

In her recent position as Administrative Director of Information Technology and Telecommunications, David implemented several large-scale projects at St. Elizabeth's Hospital including new network infrastructure, multiple software upgrades, a new voice over IP (VOIP) telephone system for remote facilities, internet failover using BGP, and Storage Area Network addition.

"The reputation the Sisters have for providing quality and compassionate care is remarkable," David stated. "The HSHS Division Service Center in southern Illinois is strategically positioned to expand the health care mission in the communities served and I am honored to be part of this growth process."
