

WHEN YOU NEED SURGERY, COME TO A PLACE YOU TRUST

When you are in need of first-class surgical care, you want a place you can trust. At St. Elizabeth's Hospital, you'll find highly trained surgeons in a broad range of specialties. Along with our team of skilled nurses and fully credentialed anesthesiologists — including a certified cardiac anesthesiologist — we use the latest technology to perform a wide variety of inpatient and outpatient procedures in our modern surgery suites.

Throughout your stay, we'll treat you with respect and compassion in a comfortable and safe environment.

We understand you have options when choosing a hospital for your surgery. We know what you expect from a leader in healthcare. **We are St. Elizabeth's Hospital.** For more information on surgery services call 618/234/2120 ext. 1167.
