PROFESSIONAL**

INTRODUCING A NEW PHYSICAL THERAPY CLINIC FOR WOMEN

St. Elizabeth's Hospital introduces a new women's health therapy center.

The **Physical Therapy Clinic for Women** is now open at 340 West Lincoln Street in Belleville.

Staffed by certified, female therapists, the clinic specializes in the therapeutic treatment of conditions

such as Incontinence, Lymphedema, and Pelvic Pain. Therapy services are also available for breast cancer/mastectomy patients and expectant mothers with hip and lower back pain.

Referrals are currently being accepted. For more information, call **618/234/2120, ext. 2654.**
