BELLEVILLE HOSPITALS' GOLF AND TENNIS CLASSIC

Bob Christiansen, *General Chairman*

Sue Dumstorff, *Co-Chairman*

2010 marks the twenty-seventh year for the Belleville Hospitals' Golf and Tennis Classic. Since its inception, over \$1.2 million has been raised to benefit the patients served by both Memorial and St. Elizabeth's Hospitals.

This annual fund raising effort was organized in 1983 by a group of community business leaders. With guidance and assistance from golf professional Bob Goalby, the first Belleville Hospitals' Golf Classic was held on June 11, 1984 at St. Clair Country Club.

Committee members volunteer their time and talents to ensure the success of the tournament, making it one of this area's premier events and a tradition for many of its participants.
